

PROFILE OF DANILO

NAME: DANILO

AGE: 16 YEARS OLD

PLACE: EL CORTEZO -CAÑAZAS, PROVINCE OF
VERAGUAS, REPUBLIC OF PANAMA

Danilo is the second of a four children agriculture poor family of the countryside of Panama. His father works every day agriculture for the subsistence of the family. The family does not have a permanent income. Sometimes during the year his father goes to work in a sugar cane factory to get some cash, in the harvesting of the sugar cane. This is a seasonal activity.

His brothers and sisters are 17,14 and 12 years old. He wants to study agriculture to help his poor family and community. He joined the first year in a good agriculture high school in Atalaya, Veraguas, 80 kms from his village. In this institute we have to pay 100 american dollars per month, during ten month. The complete carrier are three years.

We are looking for a sponsor for this student. With this 100 dollars he is receiving education, food and house. He is an internal student and in his holidays are every two months.

During the holidays he visits his family and helps to Father Roberto in the projects for poor people in El Bale. He wants to improve the condition of himself and his family.

I can add that this youngster likes to work and to help other people. I have already received congratulations from his teachers for his behavior and lidership.
