

#### PROFILE OF FIDEL

NAME: FIDEL

AGE: 18 YEARS OLD

PLACE: El Bale, Province of Veraguas,  
Republic of Panama.

Fidel is the oldest child of a poor family of six children of the country side of Panama, called El Bale, Veraguas, Panama.

His father is dedicated to work agriculture in his own land, for the subsistence of the family. His mother takes care of the children (the youngest one is 5 years old) and go to help her husband in the crops of rice, corn, beans, tubers, etc.

His house is made of ground and roof of zinc.

Fidel went to study to the High School in the nearest city, Santiago of Veraguas(70 kms from his village) with the support of Father Roberto Gonzalez during three years.

In this moment he joined a national State University in Santiago of Veraguas, to study English. That is his wish and he wants to help his family in the next future. During the weekends and holidays he works with Father Roberto in El Bale, where there are a lot of work in the activities and projects of the community and foundation.

He is in the first year of a four years English career. He started in March his studies with the support of Father Roberto and his foundation.

We are asking a support for Fidel of \$ 100.00 per month to cover part of the monthly spending. It includes food, house and transportation in Santiago City where is placed the University. Fidel is a hope for his family, and for himself is difficult to pay his studies as his family works hardly for the food. He has shown his capacity to study and work seriously. He is also participates in activities of reforestation and care of the environment in his community.
