Dear Ria and members of 40 Days Action:

I pray from all the blessings from the heaven for you and your loveones. I dream became true last week In El Bale- Panamá. We can continue improving our work for our poor people. Thank you for all your solidarity efforts and trust in our work. We won't defraud you.

A short story: The debut day of our Rescue Car was last 28th of June. The same day in the night the car was blessed for a two months baby, ill with fever and breathing problems. Their parents came with her from Piedra Grande- indigenous area- walking 8 hours to look for help. Inocencio, Teodocia and Adeilys-the baby- were taken to the paved road about 20 kilometers to receive first aids and bringing to the Hospital. So I consider it was a blessing that will go along with the Rescue Car.(Look at the pictures please).

In attached files I am sending you this documents: a sheet with the costs, pictures of the documents and pictures of the Rescue Car in action. I promise to keep you informed of all our activities in favor of the needest in Panama.

Extend, please, all our thanks and prayers to the sponsors. Thank you, thank you, thank you.

Sincerely,

P. Roberto González  
Pastor of El Bale and President of the Fundation Solidaridad y Desarrollo de Panama
