12 June 2016

Dear Sir / Madam.

We are writing to express our deepest thanks for your recent donation of 8000 & 1000 dollars to our organization, from the churches (Laren, Blaricum & Eemnes) for the erection of a rondavel & buying play equipment for ISIBINDI Child Care Program in Duncan Village. Generous gifts from donors like you provide the financial and moral support needed to continue our mission. The churches are making a difference in the lives of vulnerable children & youth at risk in Duncan Village.

To the Stichting Stedenband Foundation, we acknowledge your faithful financial contributions over the years, you've demonstrated your deep commitment to our work of taking care of orphans and children made vulnerable by the impact of HIV pandemic

Your support has repeatedly played a key role in our success (abandoned children have been rescued and placed under foster care for better life, raped and abused children taken care of emotionally & physically to reverse and minimize the effects and so on) and recently, the water safety project has brought life and skills to children who would otherwise die through drowning in common flood occurrences of Duncan Village.

There is no way to fully express our gratitude for your loyalty. ISIBINDI child care program is continually inspired by the dedication and generosity of donors like yourselves who answer the call to give again and again.

We look forward to a continuing partnership with you.

Sincerely,

S. Simandla
Chairperson
Mrs Sandi Simandla
